JOIN US ON FACEBOOK

We now have a Facebook page for the Masters Program in Rehabilitation Counseling. This page is used to share and provide information about the RCP and opportunities for students.

You can access information about upcoming events, employment opportunities and program updates. If you would like to add information or news to the page, please send me an email for review.

"Like" our page on the link below, and thanks for being part of our online community. Feel free to share with other students and alum!
